EMPLOYMENT OPPORTUNITY – CHIEF EXECUTIVE OFFICER

Limestone Resources Limited wishes to invite applications from suitably qualified and experienced persons who are ambitious, innovative, energetic and performance-driven to fill the vacancy of **Chief Executive Officer**.

About Limestone Resources Limited

Limestone Resources Limited (LRL) is one of the major producers and suppliers of Quicklime, Hydrated lime, and Limestone aggregates within the country and to the regional markets. LRL is wholly owned by ZCCM Investments Holdings Plc (ZCCM-IH). The majority shares of ZCCM-IH are held by the Industrial Development Corporation (IDC) which is wholly owned by the Government of the Republic of Zambia (GRZ).

LRL production facilities include a Quarry, fixed and mobile Crushing Plants, two (02) Vertical Kilns (Old and New), a Rotary Kiln, New Hydrating Plant, Coal/Quicklime Milling Plant, a Packaging and Bagging plant with associated support infrastructure.

The plant is 12km road distance from the Ndola Central Business District, and 7km road connection to the Great North Road at ZESCO Skyways Substation.

The Position

The company is seeking a vision-driven, strategic and seasoned corporate leader to become Chief Executive Officer (CEO). The CEO will advance and build on the vision, mission, and commercial development of Limestone Resources Limited and ensure that all business operations are in line with the Company's strategic plan. The CEO reports directly to the Board of Limestone Resources Limited and will be responsible for leading the Executive Team to drive Company growth and generate sustainable shareholder value and returns. The Chief Executive Office is responsible for providing strategic leadership and vision to the Company by working with the Board of Directors and the Management Team to establish, implement and over-see the goals, strategies, plans and policies of the Company, subject to the direction and oversight of the Board of Directors.

The Chief Executive Officer should have a balanced combination of an understanding of mining, people management and commercial management experience. The ideal candidate will bring clear commercial and strategic focus to the Company.
